2. B. Review and Discussion of the Noise Ordinance as it relates to Leaf Blowers

Public Works Director Debbie Pollart provided an overview of the current ordinance and what other jurisdictions are doing to limit noise pollution from leaf blowers.

Recommendation: The Committee agrees that the current start time of 8 a.m. should remain and the ordinance should not change. Staff is directed to conduct educational outreach regarding use of leaf blowers to implement a “Good Neighbor Policy.” Staff will disseminate information using Next Door and the City’s website.

Public Comment: Darlene Evans commented that the City should change the ordinance to limit leaf blower use to one hour past dusk.

2. C. Discussion of Tenant Protection Measures

Tom Liao presented updates for a city ordinance on Tenant Protection Measures and introduced key features and requirements.

The committee discussed key portions of the ordinance including:

- a. Amount of relocation fee
- b. Time Limit to vacate property
- c. Landlord required to pay relocation fee within 5 days of tenant notice to vacate property

Staff recommends a \$10 per unit fee to be collected annually from landlords with the business license tax as cost recovery for implementing the program due to increasing the reach of the rent review ordinance.
