Resolution Approving a Standard Agreement and Rate Schedule for the Installation and Use of Telecommunications Facilities on City Property

Recitals

WHEREAS, the City is periodically approached by telecommunications companies that are interested in using City property as a location for telecommunications facilities; and

WHEREAS, upon this request, the City is usually asked to negotiate and sign individual telecommunications agreements; and

WHEREAS, in order to reduce costs and streamline this process, the City desires to adopt a standard telecommunications agreement for the installation and use of telecommunications facilities on City property; and

WHEREAS, the City also desires to adopt a standard rate charged to telecommunications companies, which is attached to the telecommunications agreement.

NOW, THEREFORE, the City Council of the City of San Leandro does RESOLVE as follows:

1. The recitals above are hereby true and correct and incorporated herein.
2. The City Council hereby approves of the standard telecommunications agreement attached hereto, including the attached rate schedule, subject to the approval of said agreement as to form by the City Attorney.
