Shoreline Update Presentation

### **SUMMARY AND RECOMMENDATIONS**

Debbie Pollart, Public Works Director, and Avalon Schultz, Principal Planner, will provide an update on the Shoreline including the San Leandro Marina, related areas and proposed development.

This item is for information only.

### **BACKGROUND**

The San Leandro Shoreline is an important feature for the City and figures prominently as a part of San Leandro's development. The presentation will review the background, current conditions, and planned development for the Shoreline.
