Staff Report for Resolution Approving the City of San Leandro Consolidated Annual Performance and Evaluation Report (CAPER) for the FY 2014-2015 Annual Action Plan

SUMMARY AND RECOMMENDATIONS

Staff recommends that the City Council hold a public hearing and then adopt the resolution approving the FY 2014-2015 CAPER and authorizing the execution of all related documents by the City Manager and submission of the CAPER to the U.S. Department of Housing and Urban Development (HUD).

The CAPER has been available for public comment since August 25, 2015. Upon adoption by the City Council, the CAPER will be combined with the Alameda County HOME Consortium's reports (for the County and each Consortium member city) and submitted to HUD.

BACKGROUND

The U.S. Department of Housing and Urban Development (HUD) requires each jurisdiction that receives Community Development Block Grant (CDBG) and HOME funds to prepare a Five-Year Consolidated Plan, an annual Action Plan, and an annual Consolidated Annual Performance and Evaluation Report (CAPER). The CAPER reports on all activities that took place during the fiscal year to assess the City's overall progress in accomplishing the annual Action Plan and the Five-Year Consolidated Plan objectives. The FY 2014-2015 CAPER reports on the activities and projects described in the FY 2014-2015 Action Plan and conducted during the period of July 1, 2014 to June 30, 2015.

Analysis

This year's CAPER document was prepared using HUD's required online format and includes an

assessment of the progress toward achieving the five-year goals and objectives, an evaluation of annual performance, and a financial summary. Various HUD reports are included that provide information on the number of people served with each project and by categories such as race and income. Below is a summary of some of the City's notable activities and outcomes described in the CAPER.
