2. DISCUSSION ITEMS

2. A. Tobacco Retail License

San Leandro does not currently have a Tobacco Retail ordinance and retail tobacco sales are therefore governed by state law. Interim Chief Tudor presented a draft ordinance for San Leandro and provided details of the ordinance as drafted by the City Attorney. Details included the application process, enforcement and compliance monitoring, license revocation and appeals.

Councilmember Thomas suggested adding teeth to the ordinance by increasing fines, license suspension for violations, increasing sales prices and regulating tobacco flavors.

They Mayor and Councilmember Cox suggested implanting fines after the first violation rather than imposing a fine without notice.

The City Attorney will return to a future Rules Committee with additional information on more stringent enforcement, and regulating price/flavors of tobacco products.

Speakers Included: Bob Gordon, Brian Davis, Donovan Seymour, Paul Cummings and Alexandria Winston
