WHEREAS, section 520 of the Charter for the City of San Leandro specifies that appropriations to capital funds may be carried for not more than five fiscal years; and

WHEREAS, a list of projects with capital funds originally allocated more than five years ago has been presented to this City Council; and

WHEREAS, the City Manager recommends that funding must be appropriated for the listed projects for several reasons, including but not limited to completion of the projects, and to not risk the return of grant monies to grant funders for failure to comply with grant funding requirements.
