ORDINANCE Amending Zoning Code Article 3, Definitions; Article 6, Commercial and Professional Districts; Article 7, Industrial Districts; and Article 16, Nonresidential Uses, to Enable Cannabis Product Manufacturing and Laboratories.

**WHEREAS**, California's Medical Cannabis Regulation and Safety Act established a comprehensive state licensing system for the commercial cultivation, manufacture, retail sale, testing, and distribution of cannabis and cannabis products; and

**WHEREAS**, the State of California enables local governments to adopt new ordinances to regulate local cannabis-related businesses in preparation for State licensing; and

**WHEREAS**, the manufacturing of cannabis products has only recently been legalized in the State of California and it is in the interest of the City of San Leandro to ensure that this new land use is responsibly established and compatible with other uses in the City; and

**WHEREAS**, in 2016, the City of San Leandro adopted a new General Plan, which states that "[t]he San Leandro General Plan aspires to reshape the industrial areas of West and Central San Leandro to meet the demands of the new economy." Furthermore, the General Plan states that "[t]he guiding objectives in the City's large business districts are to promote business retention and diversification"; and to "locate the most intensive industrial uses in the areas that are furthest away from residential neighborhoods"; and

**WHEREAS**, the General Plan establishes policies to "[e]nsure that industrial zoning regulations are flexible enough to achieve the vision of San Leandro's industrial area as an 'innovation ecosystem', where new methods of production, operations, and design are supported";

and

**WHEREAS**, the General Plan directs the City to “[r]egularly review the Zoning Code to respond to real estate market and development trends, as well as changes in technology,” and directs that “[t]he City shall routinely review the lists of permitted and conditionally permitted uses in industrial areas to ensure that desired and potentially compatible uses are not excluded”; and

**WHEREAS**, the proposed Amendments are in accord with the policies of the General Plan in that the Amendments will “encourage business development that improves the City’s ability to provide the public with high-quality services and which minimizes increases in the tax burden for existing businesses and residents”; and

**WHEREAS**, in December 2013, the City Council of the City of San Leandro adopted Ordinance 2013-020, which allowed for the establishment of a Medical Marijuana Dispensary, subject to selection and performance standards, which became effective on January 13, 2014; and

**WHEREAS**, in April 2014, the City Council of the City of San Leandro adopted Ordinance 2014-003, implementing performance standards for medical cannabis dispensaries, by amending the Zoning Code to enable the use of medical cannabis dispensaries; and

**WHEREAS**, the City of San Leandro’s Planning Services Division is tasked with periodic updates to the Zoning Code for conformance with General Plan policy and State law; and

**WHEREAS**, the proposed Amendments to the Zoning Code will update and modernize existing regulations pertaining to medical cannabis dispensaries and enable new regulations for those industries that support them in accord with General Plan policy; and

**WHEREAS**, the proposed Amendments are intended to make the provisions of the Zoning Code consistent with those found in the Municipal Code; and

**WHEREAS**, the proposed Amendments to the Zoning Code will replace the term “marijuana” with “cannabis” for consistency between the Municipal Code, the Zoning Code, and state law; and

**WHEREAS**, the terms “marijuana” and “cannabis” are used interchangeably herein for purposes of description; and

**WHEREAS**, the General Plan and the Zoning Code are incorporated herein by reference, and are available for review at City Hall during normal business hours; and

**WHEREAS**, the Planning Commission reviewed the proposed Zoning Code Amendments at a duly noticed public hearing on November 17, 2016 and unanimously recommended City Council approval of the proposed ordinance by approving Resolution 2016-007 by a 7-0 vote; and

**WHEREAS**, the City Council of the City of San Leandro previously considered this Ordinance at a publically noticed hearing held in December 2016 and directed staff to continue the item and

return following further policy discussion; and

**WHEREAS**, the City Council reviewed the staff report and exhibits and finds that the proposed Amendments to the Zoning Code are exempt from environmental review under Section 15061(b)(3) of the California Environmental Quality Act Guidelines, as they constitute minor amendments to the Zoning Code necessary for consistency with the Municipal Code and state law, and that any potential project enabled under the Amendments will be further subject to review under CEQA; and

**WHEREAS**, the Amendments to the Zoning Code text are set forth in attached **Exhibits A through D**, incorporated herein by reference.

**NOW THEREFORE**, The City Council of the City of San Leandro does **ORDAIN** as follows:

**SECTION 1.**        **RECITALS.** The above recitals are true and correct and made a part of this ordinance.

**SECTION 2.**        **CEQA.** The proposed Amendments to the Zoning Code are exempt from environmental review under Section 15061(b)(3) of the California Environmental Quality Act Guidelines, as they constitute minor amendments to the Zoning Code necessary for consistency with the Municipal Code and State law, and that any potential project enabled under the amendments will be further subject to review under CEQA. The general exemption applies in this instance because it can be seen with certainty that there is no possibility that the proposed Amendments could have a significant effect on the environment and thus are not subject to CEQA.

**SECTION 3.**        **FINDINGS.** Based on the entirety of the record, the City Council hereby finds that the proposed zoning text Amendments shown in Exhibits A-D are consistent with the recently adopted 2035 General Plan. The City Council further finds that consideration of the proposed zoning Amendments complied with the notice and hearing provisions of the Zoning Code.

**SECTION 4.**        **APPROVAL.** The City Council hereby approves the Zoning Code text Amendments as shown in attached Exhibits A-D, described as follows:

Exhibit A: Amended Article 3 Definitions (excerpts only)

Exhibit B: Amended Article 6 Commercial and Professional Districts (excerpts only)

Exhibit C: Amended Article 7 Industrial Districts (excerpts only)

Exhibit D: Amended Article 16, Division 2, Section 4-1640 Cannabis Product Manufacturing

**SECTION 5.**        **SEVERABILITY.** If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Ordinance, or its application to any person or circumstance, is for any reason held to be invalid or unenforceable, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases of this Ordinance, or its application to any other person or circumstance. The City Council of the City of San Leandro hereby declares that it would have adopted each section, subsection, subdivision, paragraph, sentence, clause or phrase hereof, irrespective of the fact that any one or more other sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases hereof is declared invalid or unenforceable.

**SECTION 6.**      **EFFECTIVE DATE AND PUBLICATION.** This ordinance shall take effect thirty (30) days after adoption. The City Clerk is directed to publish the title once and post a complete copy thereof on the City Council Chamber bulletin board for five (5) days prior to adoption.
