Staff Report for a City of San Leandro City Council Resolution to Amend the Consulting Services Agreement with ConvergeOne for Cisco Next-Generation Firewall Installation to (Adds \$5,301.61 to the Original Agreement Amount of \$104,000.00 for a New Total Amount of \$109,301.61)

## SUMMARY AND RECOMMENDATIONS

Staff recommends that the City Council approve a resolution authorizing the City Manager to amend an agreement with ConvergeOne to install and configure upgraded Cisco firewall technology. The contract was for an amount not to exceed \$104,000.00; however, tax and freight charges were not included in the original proposal. Thus, the total project came to \$109,301.61.

## BACKGROUND

On July 16, 2018 the City Council approved a consulting services agreement with ConvergeOne to install redundant Cisco Firepower 2140 Next-Generation firewalls enabling new threat defense systems and protection from hardware failure. The original proposal excluded freight and tax charges.

## Analysis

In January of 2019, the City's IT Division successfully completed the upgrade to the City's firewalls. However, upon reviewing the final invoice it was determined that the original proposal from the vendor did not include estimates for tax, freight and shipping charges. As such, those costs brought the project total to \$109,301.61; \$5,301.61 more than the budgeted amount of \$104,000.00.

Staff recommends that the City Council approve a resolution authorizing the City Manager to amend the agreement with ConvergeOne to add \$5,301.61 from the FY 2018-2019 IT operating budget.

### **Previous City Council Actions**

- Reso 2018-088 - On July 16, 2018, the City Council approved a Consultant Services Agreement with ConvergeOne for Cisco Next-Generation Firewall Installation (not to exceed \$104,000.00).

### **Legal Analysis**

The City Attorney's office reviewed and approved the purchase agreements.

### **Fiscal Impacts**

The amendment will require an additional \$5,301.61 to close out the project.

### **Budget Authority**

The Finance Director has determined there are sufficient funds in the FY 2018-2019 IT operating budget, Account 688-13-121-7410.
