RESOLUTION 2021-008 of the Planning Commission Recommending that the City Council Adopt an Ordinance Amending the San Leandro Zoning Code by Adding Chapter 3.34, MHP Mobile Home Park Overlay District, and Amending Chapter 5.28, Mobile Home Park Conversions, and Amending the San Leandro Zoning Map to Apply the MHP Overlay Zone to Existing Mobile Home Sites

**WHEREAS**, the State of California recognizes, by the adoption of special legislation regulating tenancies of mobile home owners in mobile home parks, that there is a significant difference between homeowners in mobile home parks and other dwelling units; and

**WHEREAS**, owners of mobile homes in mobile home parks, unlike apartment tenants or residents of other rental housing stock, are in the unique position of having made a substantial investment in a residence that is located on property that is either rented or leased and not owned; and

**WHEREAS**, the City of San Leandro has nine (9) mobile home parks with a total of approximately eight hundred fifty-five (855) spaces located within the City limits. These spaces represent a significant portion of the affordable housing supply within the City; and

**WHEREAS**, the City of San Leandro General Plan, Chapter 6, Housing Element provides for the following goals and actions:

1. Conservation of Mobile Home Parks. Promote the conservation and rehabilitation of mobile home parks without displacing tenants or reducing the number of affordable units. Mobile home parks should be recognized as an important affordable housing

resource for San Leandro's seniors and low-income households (Policy 56.08).

2. Mobile Home Rent Stabilization. Consider adopting a mobile home rent stabilization ordinance similar to the agreement currently in effect for Mission Bay (Action 56.08-B) (The agreement would apply more broadly to residents of all mobile home parks in the city and help protect the city's existing supply of mobile homes.); and

**WHEREAS**, it is often difficult to move mobile homes from one park to another due to the age and condition of some mobile homes and the limited availability of vacant spaces in mobile home parks; and

**WHEREAS**, it is often costly to move a mobile home and, in many instances, moving a mobile home requires separation of the mobile home from its appurtenances, which may create severe damage and depreciation in value to the mobile home; and

**WHEREAS**, Government Code section 65863.7 establishes minimum rules and regulations regarding mobile home park conversions, but explicitly authorizes local agencies to enact more stringent protections; and

**WHEREAS**, Chapter 5.28 of the San Leandro Zoning Code governs the conversion of mobile home parks within the City and requires City Council approval prior to the closure or conversion of a mobile home park; and

**WHEREAS**, the proposed amendments to Chapter 5.28 would increase noticing requirements for mobile home park conversion applications and establish minimum relocation benefits that must be paid in the event that any of the requirements of Chapter 5.28 are waived; and

**WHEREAS**, the proposed addition of Chapter 5.34 to the San Leandro Zoning Code would establish a mobile home park zoning overlay that prohibits all uses other than a mobile home park use; and

**WHEREAS**, the proposed amendments to the San Leandro Zoning Map would apply the proposed overlay to all existing mobile home parks citywide; and

**WHEREAS**, the proposed amendments would strengthen existing protections for mobile home park residents; and

**WHEREAS**, a staff report dated July 1, 2021, incorporated herein by reference, described and analyzed the proposed amendments for the Planning Commission; and

**WHEREAS**, the City of San Leandro Planning Commission held duly noticed Public Hearing on July 1, 2021 for consideration of the proposed amendments, at which time all interested parties had the opportunity to be heard, and did consider all information pertaining to the proposed amendments, including the staff report, the findings, and all public comments and testimony received prior to and during the hearing.

**NOW, THEREFORE THE PLANNING COMMISSION FOR THE CITY OF SAN LEANDRO RESOLVES THAT:** The above recitals are true and correct and made a part of this resolution.

**BE IT FURTHER RESOLVED THAT:** The Planning Commission hereby recommends that the City Council adopt the following:

1. San Leandro Zoning Code Chapter 3.34, MHP Mobile Home Park Overlay District, and amendments to San Leandro Zoning Code Chapter 5.28, Mobile Home Park Conversions, as shown in attached "Exhibit A" and incorporated herein by reference; and
2. Proposed amendments to the San Leandro Zoning Map, as shown in attached "Exhibit B" and incorporated herein by reference.

**BE IT FURTHER RESOLVED THAT:** The recommendation of the Planning Commission is based on a finding that the proposed additions and amendments of the San Leandro Zoning Code and Zoning Map are consistent with the San Leandro General Plan and the San Leandro Zoning Code in that the amendments further Policy 56.08 of City of San Leandro General Plan, Chapter 6, Housing Element, which promotes the conservation of mobile home parks as an important affordable housing resource for San Leandro's seniors and low-income households.

**BE IT FURTHER RESOLVED THAT:** The recommendation of the Planning Commission is based on a finding that the proposed amendments are exempt from the California Environmental Quality Act ("CEQA") based on: 1) the rule set forth in CEQA Guidelines Section 15061(b)(3) that CEQA applies only to projects which have the potential for causing a significant effect on the environment. As a set of text amendments that do not authorize any new uses, it can be seen with certainty that there is no possibility that the proposed amendments to the Zoning Code will have a significant effect on the environment; and 2) CEQA Guidelines Section 15301, which exempts changes to existing facilities involving negligible or no expansion of existing or former use.
