BACKGROUND

The City of San Leandro has maintained an annual subscription contract with Sirsidynix for its Library Information System (LIS) since 2005 and has been satisfied with their service.

Analysis

The City of San Leandro subscribes to the Sirsidynix Library Information System, which is hosted by Sirsidynix and delivered over the Internet. This Software-as-a-Service (SaaS) system provides all of the core applications required to maintain the Library Department's operations, such as: inventory

management; account management, self-check-out, online content, and more.
