Staff recommends a motion accepting the recommendations made by the Human Services Commission to allocate the funds available for the FY2015-17 CAP grant cycle contingent on City Council approval and adoption of the 2015-16 and 2016-17 proposed biennial budget.

BACKGROUND

On April 3, 2013, the City Council hosted a Work Session regarding Current and Future Challenges facing Social Services in San Leandro. On December 1, 2014 the application for the 2015-17 CAP grant program was released to the public. The CAP Grant funding is comprised of the designated CDBG funds and the community investment funding with a combined total of \$254,245 annually for the next two fiscal years.

On February 18, 2015 the Human Services Commission formulated funding recommendations for the CAP for FY2015-16 and FY2016-17 from the 14 applications submitted. The original CAP applications and applicant presentations were utilized in creating the funding recommendations set forth.
