Staff Report for an Update on the Bicycle and Pedestrian Master Plan

### SUMMARY AND RECOMMENDATIONS

A draft 2017 Bicycle and Pedestrian Master Plan was released to Bicycle and Pedestrian Advisory Committee (BPAC) and the general public for review on Friday, November 3, 2017. A BPAC meeting was held on Tuesday, December 5, 2017 to review the Plan. Staff provides the project update and the timeline in this report.

### BACKGROUND

Staff, Alta Planning + Design, Inc., and the BPAC have continued to work on the update of the 2010 Bicycle and Pedestrian Master Plan (BPMP). The BPAC met on Thursday, February 23, 2017, in the Civic Center and Thursday, May 4, 2017, at 6:30 p.m. in the Marina Community Center. Both BPAC meetings were combined with an open house to provide an educational opportunity for residents and community members about the BPMP update and gather input and feedback.

Having gathered comments received from the BPAC meetings, Open Houses and various online options, Engineering & Transportation Department and Alta Planning + Design, Inc. released a draft 2017 Bicycle and Pedestrian Master Plan to BPAC and to the general public for review on Friday, November 3, 2017.

Information, links and commenting information about the draft 2017 Bicycle and Pedestrian Master Plan are available at:
