

Congratulations!

San Leandro, CA has been selected as a 2026 Healthy Cities Campaign Grant Recipient!

Dear Vicente,

On behalf of the National Fitness Campaign Grant Committee, we are pleased to share that San Leandro, CA has been selected as a grant eligible partner in the 2026 Healthy Cities Campaign! This notification letter confirms eligibility for one (1) 2026 NFC Grant of \$35,000. The next step is to schedule your official Grant Eligibility Award Call within the next 10 days, where the qualifications submitted in your Grant Application will be confirmed by the NFC team, and your Grant Program Requirements (GPR) will be aligned for eligibility and participation in this year's campaign. A copy of your GPR Document is attached to this formal award letter for your review, and is based on dates submitted in your Grant Application.

The \$35,000 Grant Award will be confirmed pending 1) the submission of a Resolution of Adoption, endorsed by your local governing body or appropriate council within 30 days of the Award Call, 2) authorization to proceed, documented by formal funding confirmation (commonly a purchase order) and 3) confirmation of a scheduled shipping date for the Fitness Court and appropriate storage plans. Once set, GPR milestones must be met in order to maintain funding eligibility in the campaign.

To support this partnership and align your GPR milestones with your community's local adoption and funding processes, we have assigned a Partnership Manager – Allison Campbell – as your dedicated partner and champion in support of this partnership. Over the coming months, Allison will work with your team to support the path outlined in the GPR Document, assisting in the confirmation of required remaining funding, installation, and launch of your program.

The 2026 Healthy Cities Campaign is part of a national movement to make world-class fitness free and accessible in public spaces across the country, which is more important today than ever before – thank you for your commitment to supporting this goal.

Here is a sneak peak at what's ahead:

- Classes & Challenges – Get residents moving & keep them engaged with ongoing group classes, individual training, and competitive events.
