About the Report

Attendance Policy

The City's attendance policy for members of boards and commissioners is contained in the City Council Member Handbook.

The policy sets three requirements:

1. Members shall attend not less than 75% of all regular meetings held.
2. Failure to attend three consecutive regular meetings will be cause for Council declaring the member's position vacant.
3. Attendance records will be reviewed by the City Council once a year based on the previous 12-month period, except for appointments effective July 1st or thereafter.

Accordingly, this report has been compiled for the City Council's review and contains attendance data from May 2025 to April 2026.

Attendance Notations

Member attendance is notated in this report as follows:

Attendance	Notation
Present	✓
Absent	Absent
Not applicable (meeting occurred before/after member's appointment)	Shaded in gray
Attendance has fallen below 75% of regular meetings	<i>Bold italics</i>

Percent of Meetings Attended

The far-right column in a member's attendance report lists the percent of meetings they attended during the reporting period – see Figure 1 below.

Member	District	5/15/25	6/18/25	10/11/25	1/11/26	4/11/26	% Attended
Jane Doe	1	N/A	N/A	✓	✓	Absent	<i>67% (2 of 3)</i>

Figure 1 – Example attendance

In the example shown above, Jane Doe serves on the Senior Commission.

- Five regular meetings were held in the reporting period
- Jane served on the commission for three of the meetings
- Of those three, she was present for two meetings and absent from one

Therefore, Jane's percent of regular meetings attended is 67% (or $2 \div 3$).

Because her attendance has fallen below the required 75%, the % Attendance column is ***bolded and italicized***.
